

NANCY CHIPPENDALE'S DANCE STUDIOS

COMPETITIVE PROGRAM OVERVIEW

We pride ourselves on the culture of our dance studio and our Competitive Program is no different. We are sure to maintain a healthy balance of education, competitive spirit and fun within our classes as well as during performances and competitions. We foster an inclusive environment, while still rewarding extraordinary talent and work ethic. Dancers learn the importance of hard work, teamwork, dedication and commitment. Success at all levels is recognized and celebrated, inspiring deeper passion and drive. Teachers hold work ethic and commitment at a higher regard than medals and awards. We organize inclusive team building exercises and parties like pep rallies and our student run Big CHIPP / Little CHIPP mentoring program. **Our Competition Team may practice at three studio locations...but we are ONE Team CHIPPS!**

Dancers may choose to study other styles and may enroll in additional classes anywhere from 1-6 days per week, pending availability. Dancers must participate in one of our one-week summer programs annually. For Summer 2021, this is CHIPPS Boot Camp or CHIPPS Boot Camp Extreme.

CLASS SCHEDULE

PLACEMENT IS BASED ON AGE & ABILITY

The Nancy Chippendale Competitive Program is audition-based and dancers are placed in classes based on age and ability. Dancers who are selected for the team will be notified of their schedule via email in July. If a dancer cannot commit to their given schedule, we will do our best to find an alternative class for him/her. Dancers with conflicts will be moved either laterally or to a lower level class. Dancers will not be placed in a higher level as a result of a scheduling conflict. Dancers may not miss more than (6) classes in each discipline throughout the dance season.

TEAM RULES, POLICIES & PROCEDURES

PARENT INVOLVEMENT

WE ARE ONE TEAM.

The parents of dancers in our Competitive Program are kind, courteous, supportive and committed. Our dance moms arrange carpools and help each other with quick changes, and our dance dads arrange golf outings and volunteer to help with props. While our parents greatly contribute to the spirit and culture of our program, they are not involved in decisions regarding placement, consideration or opportunities. Consistent criticism of studio decisions and/or policies will not benefit your dancer's experience. Parents should not criticize faculty decisions, or their dancers' classmates, in the presence of their dancer(s), as this disrupts class progress. The studio will always have your dancer's best interest in mind, and we kindly ask that you trust and respect our decisions. Working together, we can help set a wonderful example for the dancers!

COMPETITION TEAM HANDBOOK AVAILABLE AT NANCYCHIPPENDALES.COM

The most up-to-date policies and rules of Nancy Chippendale's Dance Studios are detailed in the Nancy Chippendale Dancer Handbook: Competitive Program which is available on our website at all times. Please read the handbook in its entirety to ensure a positive experience as part of our dance program. If you have a question at any time regarding our rules and policies, please reference your Dancer Handbook. If you cannot find your answer there, then please email CompTeam@NancyChippendales.com for further information. Because our Executive Directors are also teachers, we are not always available by phone, so email is the best way to reach us and we will reply as soon as possible.

COMPETITIVE PROGRAM WITHDRAWAL POLICY

If a dancer withdraws from our Competitive Program anytime between September - May, the dancer may be charged \$500.00 to pay for the faculty to re-stage choreography, teach replacements and cover any other additional costs that may incur on Nancy Chippendale's Dance Studios and/or the members of the Competition Team. The dancer may not perform, without permission, any of the choreography owned by Nancy Chippendale's Dance Studios after withdrawal.

COVID-19 POLICIES & PROCEDURES

Due to COVID-19, we will continue to amend our policies and procedures for the 2021-2022 dance season in accordance with state and local guidance. We are hopeful this season will bring a return to "normalcy" but are dedicated to keeping health and safety as our top priority - for our dancers, their families, our faculty and staff. Our dancers did an exceptional job adjusting to COVID protocols for the 2020/2021 season and we are confident that will continue. More details to be communicated as they become available.
